Beta Chapter Report for Executive Board Meeting

10.5.17

Beta chapter has been a busy group since the last executive board meeting. We initiated a new member in May and welcomed a reinstated member who had been in Sigma Chapter this fall. We continued to run the Fairbanks North Star Borough Speech Contest and marveled at the quality of the children's speeches. We had a fun and very helpful "planning retreat" out at Judy J and Claudia H's homes at Harding Lake during the summer. Four members of Beta Chapter attended the Northwest Regional Conference, all giving presentations. Daphne, Geri, and Judy presented information about doing a state conference on Go To Meeting, Judy and Maryanne presented about starting a Chapter foundation, and Maryanne, with her golden gift sisters, presented about the Leadership Management Seminar. Beta Chapter has plans for another great year with wonderful programs and activities planned. We have invited Theta Chapter to join us for one of them. We are exploring the idea of increasing interest and assistance for coaches at the speech contest in the spring.
