

## Directions for DKG Benefits Business Card:

The top page of the template consists of benefits offered by DKG. The benefits listed are examples of benefits. This may be different based on area and the interests of potential members. Please see the list on the second page for ideas of member benefits to list on your business card. Remember that you should highlight a few benefits, but not all will fit onto the card.

Once the appropriate benefits have been added to the first box on page one, Copy the entire box and paste into each empty box.

Fill in the box provided on the second page with appropriate contact information. Copy the entire box and paste into each empty box.

Check the margins area to make sure this template is compatible with the cards you will print on.

When printing, select “two sided” so that one side will print as the front and the other will be the back.
