

State Finance Report
GTM Executive Board
October 17, 2019

The Finance Committee was made aware of an additional cost for maintenance of our State website. Thus the attached biennium budget has been revised to reflect the \$199 “pro plan” fee due every two years.

Our state membership as of October 10, 2019 is 208 members. Our budget is based on a membership of 225 active members. We sincerely hope members are actively recruiting new sisters.

The committee audited the Treasurer’s books for fiscal year 2018-2019. Thank you Joan Lower for your outstanding contribution.

Respectfully submitted,

Cherilyn Ansley, Chair
Mary Vaught, Nu
Jill Abrams, Zeta
Joan Lower, State Treasurer
