

Historian's Report
April 5, 2021

Due to the 2018 change of name for our State Organization, I have elected to designate the Historical Record of Beta Gamma State as Volume I and begin Volume II with information from 2019 and 2020 with future years to be added.

Lists events for each year 2019 through 2021 to date have been modified to reflect the name change. For example, the Beta Gamma State Achievement Award is now the DKG Alaska Achievement Award. Ditto for the scholarship and state meetings.

Chapters with hard copies of what is now Volume I of the Historical Record are urged to be sure the current hard copy is updated if desired, and that Volume II be established for your Chapter. To assure consistency, the same principle will be applied to the Biographies of State Presidents of Beta Gamma State. The current book in the possession of your chapter can be marked Volume I and Volume II will begin with Colleen Brown's biography, followed by Cynde Hill. Both documents will be sent to Chapter Presidents and Past State Presidents during the summer of 2021.

If any Chapter wishes help in updating either of these publications, please feel free to contact me. I can send most documents electronically and am happy to send hard copies if needed.

An updated copy of both documents is in the Archives in Fairbanks, The State President's Files and also in the Historian Files at my home.
