

Historian Report  
October 15, 2022

In September a packet of Historian materials was deposited with the Archives at the University of Alaska Fairbanks. Receipt has been acknowledged by the Archivist and the materials filed for future access. The next deposit will be materials from the current biennium.

Leadership Development  
October 15, 2022

I urge all members to view the speeches at the New Orleans Convention available on the DKG App. Courtney Clark's is a great personal boost and Ingvi Hrannar Ómarsson is a truly inspirational speaker and person. I wish he could address every School Board, Administrator, Teacher and Parent in the entire country.
