

Jane Lister and Colleen Brown
Nu Chapter President Report for Oct. 5 GTM
9.18.17

What is New with Nu for 2017-18?

- Do our program first, followed by a business meeting if one is needed.
- Keep business meetings between thirty to forty-five minutes.
- Vote online to approve our Minutes and Treasurer Report.
- Combine the Corresponding Secretary and Cares Committee Chair into one responsibility.
- Have women each month take a turn being the historian. At each meeting, she takes photos, writes an article, and sends them to our Web Master, who sends it to Aldean, our State Editor. Instead of a paper scrapbook, everything is posted on our Nu Web Site.
- Obtain more publicity not only for our chapter, but for DKG International through the Eagle River and Anchorage newspaper, and other avenues.
- Encourage each member to bring one woman into our chapter and mentor them.
- Attend Leadership Development Training for Nu Exec Officers and Committee Chairs presented by State President
- Participate in Backpack Give Away, register for the Imagination Library, and each child no matter age or grade is provided with a free book.
- Host a Progressive December Dinner with husbands/significant others.
- Learn from AK Fish and Game about Bear Aware Safety during our May meeting program.
