

2019 Fall Report Omicron Chapter of Delta Kappa Gamma
Submitted by Amy Budge-President

We have 28 members this year divided into 4 committees. Each committee is responsible for two meetings a year, which includes the program and a meal. We meet at a town elementary school to provide year round access to parking and easy access to the building. We meet the last Monday of the month from 5:30-7:30 pm. Our programs are generally built on the mission and purposes of DKG. We keep in member contact through email sending agendas, minutes, announcements and birthday celebration.

Our Service projects that help our community and shows people about DKG seem to revolve around the Homer Food Pantry, our food outreach program. We continue to provide backpacks filled with student supplies in the fall in time for the first day of school and then we come back and provide supplies right after Christmas for the 2nd semester. We have expanded to include community receptacles in the local stores and churches. Our Rotary Clubs have also gotten involved with this effort.

One activity that enriches our members and entices new members is that we continue to provide a biannual \$1500 scholarship for an undergraduate student who is pursuing an education degree. This has been a successful outreach in the community.
