

Alaska State Organization
Delta Kappa Gamma
Rules Report
October 2019

The Rules Committee has integrated the many changes to the International Constitution into DKG Alaska's Bylaws and Standing Rules. The changes have also been made that were required by the Constitution Committee after they reviewed our documents in June of 2018. The documents have again been sent to the Constitution Committee for their approval.

The corrected Bylaws and Standing Rules are now available on the state website. All of the changes are in red so that you will be able to quickly locate them. The committee has planned to leave these changes in red until January when the documents will once again be changed to all black font.

One change that we will point out is that the Constitution has replaced the word initiation with induction. New members will participate in an Induction Ceremony and will be inducted into our chapters.

Once again during the April 2019 Leadership Convention in Ketchikan we will have the opportunity to amend the Bylaws and Standing Rules. Any member or committee who would like to suggest a change in our Bylaws or Standing Rules, please fill out the amendment form which is available on the website.

The deadline for submitting an amendment is December 15th. The Rules Committee will review your amendment suggestion. All approved amendments will be published in the Nuggets in January. Those amendments will be voted on in Ketchikan.

Thank you to the Rules Committee members Gretchen Ven Hove and Barbara Kovarik. They spent a beautiful summer day inside at my house working on these documents. Thank you also to Cherilyn Ansley, Finance Chair, for her help with the new financial wording. She also shared her expertise as past secretary, working on the voting procedure for our meetings.
