TANYA O'BRIEN-CHAIR, Theta

MARY ANN CURTIS

GAYLE HAMMONS

We are happy to announce an application from Dawn Swensen, Nu chapter for a scholarship to pursue her Master's Degree.

Our committee is excited to award this to Dawn and hope to increase the amount for this year at GTM, October 5.

Our plans for the next two years include raising the amount of the scholarship, reaching more members and examining the application and the application due date to make permanent changes if needed.
