

Scholarship Report-October 15, 2019

It is with great excitement and joy that I can report we received an application for our Scholarship Award.

Her accomplishments and her leadership qualities along with the determination to go back to college after 20 years, makes me happy to recommend :

Naona "Peaches" Wallin, from Epsilon Chapter, Ketchikan, for this scholarship.

She is the current President and as a fairly new member assumed responsibility and leadership of her chapter. She is described as most deserving and we know Delta Kappa Gamma scholarship recognizes excellence in teaching and strives to help those further their professional goals in the field of education. Peaches is an excellent candidate for this award.
